discover the mediterranean beach hotel

where friendship begins...

True hospitality has always been the heart of the Mediterranean, a superior 4 star luxury hotel. The building itself, the public areas and all guest rooms are designed and decorated to reflect the nature and spirit of the Mediterranean Sea. Hues of blue and white dominate the colour scheme, which is enhanced with natural wood and marble features. The result is a contemporary resort that offers guests not only luxurious facilities and personal service, but an all-round Mediterranean holiday experience.

the gardens

Extending right down to the sandy beach, the hotel's landscaped gardens are a paradise of lush greenery and colourful flowers, offering a sample of the area's ecological wealth; palm trees, jasmine, lavender and herbs fill the air with their typically Mediterranean fragrance.

location

The Mediterranean is situated on the southwest Bay of Limassol and is close to the archaeological site of the kingdom of Amathus. It is only a 10-minute drive from the town centre (8km). The hotel is built with commanding sea views, a spectacular split-level swimming pool and terraced gardens that lead to a sandy, Blue Flag awarded beach.

dining

Dining is a key element of the Mediterranean experience. A choice of daily restaurants offers guests delicious gourmet menus and appetising healthy options, using locally grown ingredients.

Il Tinello

With a culture of gastronomy dating back to antiquity, every meal in Italy is respected as being an occasion, with the art of cooking symbolising history and heritage: the coming together of a family to share in the fresh fruits of their labours. Nowhere is this custom more bountifully expressed than in the humble dining room: the heart of every Italian home, where community and culture converge. And so it is that Il Tinello (meaning, precisely, 'small dining room') anticipates welcoming its guests this coming season to taste the fruits of its team of chefs' endeavours. Our dishes can be described as a combination of bistronomy and fine dining, with the philosophy of combining fresh Italian and Mediterranean ingredients to produce the end result that will travel our guests in a unique culinary trip.

Il Tinello seats 45 guests indoors and 24 outdoors.

Shumi Pan-Asian Restaurant

The menu of our Shumi Pan-Asian Restaurant combines traditional pan-Asian ingredients and techniques with western fare in what has come to be known as Fusion Cuisine – a fresh and exciting new cuisine which has captivated diners across the world. Enjoy a tasty array of a truly Pan-Asian fare, including hand-rolled sushi maki, temaki, salmon skin rolls and many more.

Shumi seats 24 guests indoors and 26 outdoors

Céleste Restaurant and Terrace

The stylish Céleste Restaurant serves themed buffets and à la carte menu every evening. During the summer months the restaurant opens onto the Céleste Terrace and deck overlooking the hotel's gardens, cascading pool and the sea, offering breath-taking views.

Céleste seats 350 guests indoors and 220 outdoors.
