

Hotel Information

Areti Suite

Area: 75 sq m overall area (excluding balcony)

Accommodates: up to 2 adults and 1 child

This light and airy suite is furnished in fashionable limed wood and pastel plaid fabrics that complement the blues and silvery green that can be seen through its two large windows which also offer breath-taking views of the curving breakwater beyond the pool and gardens.

The seating area in the lounge includes a poof that folds out into a single bed as well as a dining or conference table for up to five people. A touch screen computer, complimentary internet with high-speed access and a Beoplay A8 offer greater comfort and ease of access.

The master bedroom is furnished with a queen sized bed, features a large mirrored wardrobe outside the bathroom and has its own seating area off the balcony.

The relaxed atmosphere of the Areti suite makes it the perfect place for a honeymoon, a dream vacation or for less formal meetings.
