MEDITERRANEAN

—Discover the Mediterranean Beach Hotel

Where friendship begins...

True hospitality has always been the heart of the Mediterranean, a superior 4 star luxury hotel. The building itself, the public areas and all guest rooms are designed and decorated to reflect the nature and spirit of the Mediterranean Sea. Hues of blue and white dominate the colour scheme, which is enhanced with natural wood and marble features. The result is a contemporary resort that offers guests not only luxurious facilities and personal service, but an all-round Mediterranean holiday experience.

The gardens

Extending right down to the sandy beach, the hotel's landscaped gardens are a paradise of lush greenery and colourful flowers, offering a sample of the area's ecological wealth; palm trees, jasmine, lavender and herbs fill the air with their typically Mediterranean fragrance.

Location

The Mediterranean is situated on the southwest Bay of Limassol and is close to the archaeological site of the kingdom of Amathus. It is only a 10-minute drive from the town centre (8km). The hotel is built with commanding sea views, a spectacular split-level swimming pool and terraced gardens that lead to a sandy, Blue Flag awarded beach.
